**Event Elements to plan Art for H.E.A.R.T.
March 18, 2008**

The Mental Health Association of Erie County, Inc. has chosen Event Elements to produce Art for H.E.A.R.T. 2008. The focus of the event, scheduled for October 11, 2008, is an auction of art created by secondary school students throughout the Western New York area. The event also includes complimentary food and beverage and live entertainment.

H.E.A.R.T., comprised of Crisis Services, Music is Art, Health Community Alliance and the Mental Health Association of Erie County, Inc., is a coalition offering a program to schools that is designed to increase awareness of mental health among adolescents who are dealing with issues related to suicide, relationships, alienation, loneliness, and bullying and how these issues may affect them individually, their peers and their family members.
